CHAPTER 1: PILOT SLLECTION TLS1

SHIRO

WE'RE NOW ARRIVING
TURN

KAMI-SHIRO YURUGI

11 years ago, a disaster occurred on Earth.
This awakened The Wings of the Fallen Angel Clan from their 12,000 year slumber. Subsequently, The Wings of the Fallen Angel Clan, which preys for humans, reduced the population of the world to a mere 2 billion inhabitants.
This Clan has demi-godlike powers, which transcend human know of. They're not hurt by human weaponry.
The only things that are able to combat The Wings of the Fallen Angel Clan are the man-shaped soldiers, excavated out of ruins from over 10,000 years ago - Aquarion.

These "Elemental Adepts". After such an Incident the Earth's magnetic field became distorted and as a result, mankind's genes were corrupted. After that, reports of people with psychic abilities grew...
KAMI-SHIRO...

So... humanity's future has been entrusted to the hands of the children who embark against the Aquarion Project...
